

Trail Lovers Unite!

Thanks to your generous donations and some grant funding, Friends of Okanagan Rail Trail has been hard at work enhancing your trail experience. From shade sails with seating for a perfect trailside break to wayfinding maps and information kiosks, we've made strides to make every step memorable.

Exciting projects are in the pipeline, including scenic seating stones and improved lake access in Lake Country—a top user priority. Yet, there's more to be done to elevate our precious trail, and we need your ongoing support. Together, let's make every trail adventure unforgettable!

This Giving Tuesday, join us in making the Okanagan Rail Trail even more inviting. Every [donation](#) to Friends of Okanagan Rail Trail brings us one step closer to enhancing your trail experience. From seating to cozy picnic spots, let's make every adventure unforgettable. **Donate now and be part of the trail magic!** ♀ ♂ □

Adventures Await on Okanagan Rail Trail

FORT, together with City of Kelowna, completed a Tier 2 'Node' Kiosk at Houghton Road (Km 44) which is now complete.

New donor signage and additional information panels have officially been installed at Km 0.

Our FORT Project Management Team worked with RDNO to plan the sites for the Okanagan Nation Alliance signs relating to the Story of Water in the Valley.
